

“ The problem is we have a problem. It's not that we don't know what the problems are; we've known those for years. It's not that we don't know what the solutions are; we've known those for years. The problem is we haven't done anything about it.

- Hon. Mayor Frank Jackson, City of Cleveland

Not having a cybersecurity program
in place at your airport

Failure is not an option.

Evaluate Risk

Accept Risk

Mitigate Risk

Where do we get started?

Short-term:

- Get Insurance
- Create/Enforce Policies
- Teach and Test Employees
- Join Communities
- Etc., etc., etc.

Long-term:

- Perform assessments
- Hire/contract staff
- Plan and practice
- Implement a control platform
- Iterate, iterate, iterate
- Etc., etc., etc.
