### **AIRPORT TOUR**

We thank the Salt Lake City Department of Airports, which has arranged for a tour of “the New SLC”, its ongoing terminal redevelopment project at Salt Lake City International Airport. The tour will take place on the afternoon of April 4. Busses will leave the Grand America Hotel promptly at 1:00 pm and the tour will conclude in the Airport’s terminal by 3:30 pm.

Bus transportation will be provided back to the hotel for those staying at the Grand American Hotel on Thursday night. Those departing SLC by air following the tour will be able to store their luggage in a secure location while the tour is underway.

As of March 15, all of the available spaces on the tour had been reserved, but ACI-NA is maintaining a wait-list and will let wait-listed participants know of any available spaces on site.

Since we will be visiting an active construction site, tour attendees must wear closed-toe shoes and long pants (shorts, skirts, and dresses not permitted). High heels are also prohibited.

### **CANADIAN OPERATIONS, SAFETY AND TECHNICAL AFFAIRS (OSTA) COMMITTEE**

The OSTA will meet from 10:30am to 4:30pm MDT on Thursday, April 4 and 9:00am to 2:30pm MDT on Friday, April 5 (preceded by breakfast from 8:00 to 9:00 am). Please note that this meeting is open to OSTA members only.
