AIRPORT TOUR

Bus transportation will be provided back to the hotel for those staying at the Grand American Hotel on Thursday night. Those departing SLC by air following the tour will be able to store their luggage in a secure location while the tour is underway.

As of March 15, all of the available spaces on the tour had been reserved, but ACI-NA is maintaining a wait-list and will let wait-listed participants know of any available spaces on site.

Since we will be visiting an active construction site, tour attendees must wear closed-toe shoes and long pants (shorts, skirts, and dresses not permitted). High heels are also prohibited.
