

JAA

Jacksonville
Aviation
Authority

*Current Developments in Privacy and Cybersecurity
Spring 2018 Legal Affairs Conference*

*Debra Braga, Chief Legal Officer
Jacksonville Aviation Authority
Moderator*

Welcome and Thanks to our Presenters:

Marti Mueller, Chief Information Officer,
Reno Tahoe Airport Authority

&

Steven Millendorf, Foley & Lardner LLP
San Diego Office

Topics to be covered:

- ❖ **Ransomware**—how to avoid it, and what to do if you are attacked;
- ❖ **Cybersecurity Planning**—what’s in a plan, how to implement, and best practices;
 - ❖ Is your refrigerator spying on you—or maybe it’s the microwave?
 - ❖ The internet of things (IoT) and some basics;
- ❖ **Block Chain**—we have heard about it, now what is it and how will it effect airports;
 - ❖ Keeping your SSI materials secure.
