A woman with brown hair and glasses, wearing a blue short-sleeved uniform shirt, is looking down at a document. The shirt has several patches: a circular 'Department of Homeland Security' patch on the left chest, a 'REAL ID' star patch on the right chest, and a name tag that reads 'CALLIN LEAD OFFICER'. She is holding a green pen. The background is a blurred office setting. The word 'REAL ID' is overlaid in large white letters across the center of the image.

# REAL ID Act

Passed by Congress in 2005, the REAL ID Act established minimum security standards for state-issued driver's licenses and identification cards and prohibits federal agencies, like TSA, from accepting licenses and identification cards for official purposes from states that do not meet these standards.

# Enforcement

Starting October 1, 2020, every traveler will need to present a REAL ID-compliant license or another acceptable form of identification for domestic air travel.
