

CYBERSECURITY

John P. Carlin

David Peeples

Matthew Crowley

Lorena de Rodriguez

WHY DOES THIS MATTER?

THE RULES HAVE CHANGED

EVERY AIRPORT IS AT RISK...

...AND EVERY EMPLOYEE AND VENDOR

56%

Attendees with DOB, SSN, and other PII/NPI for sale

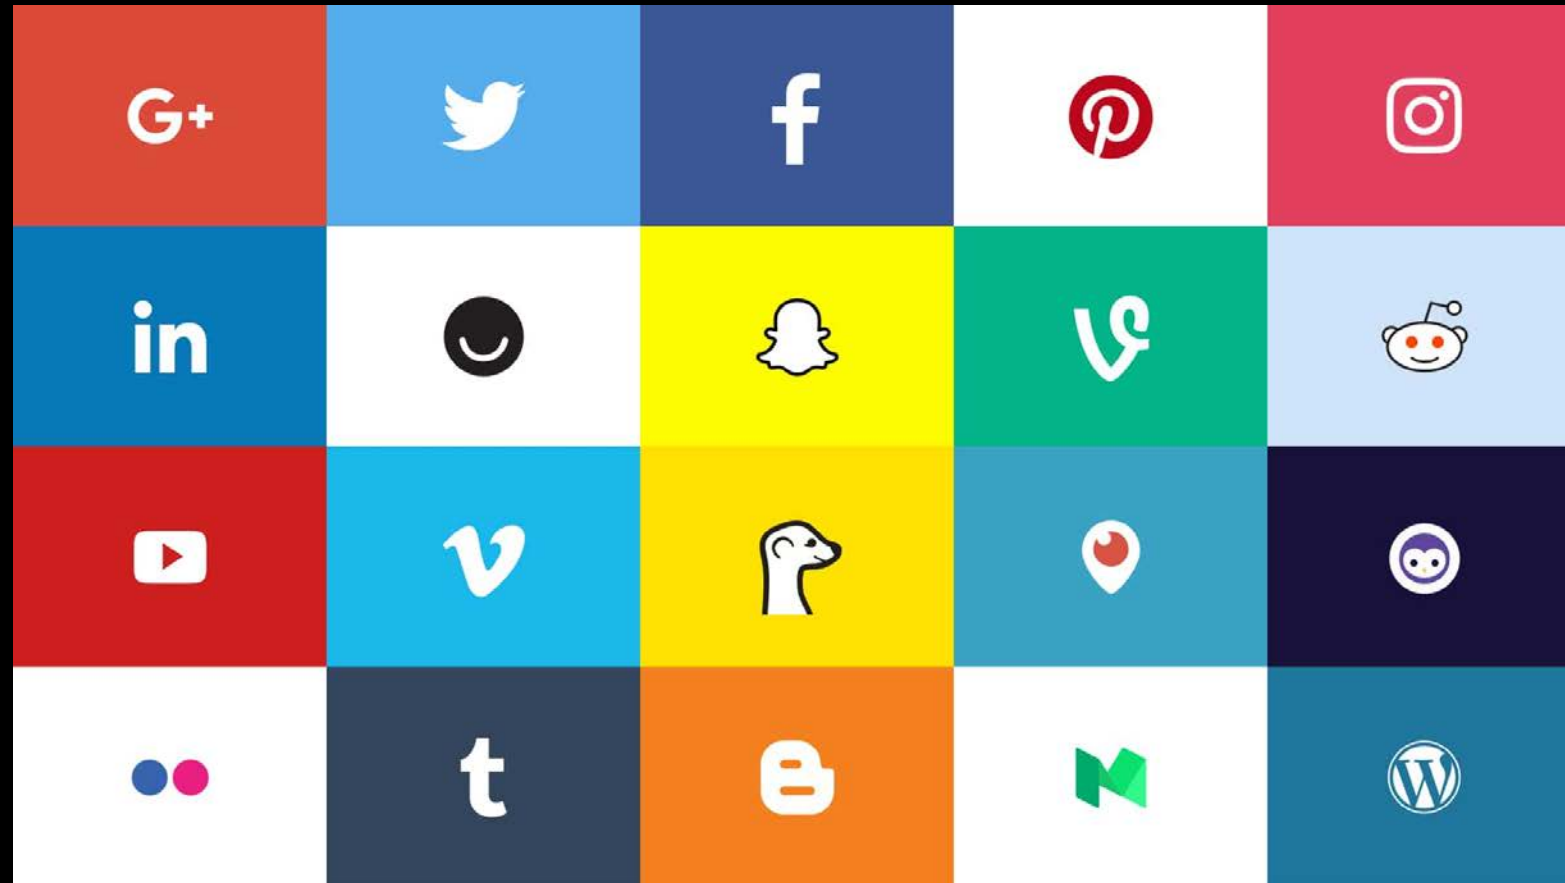

27%

Attendees with passwords for sale

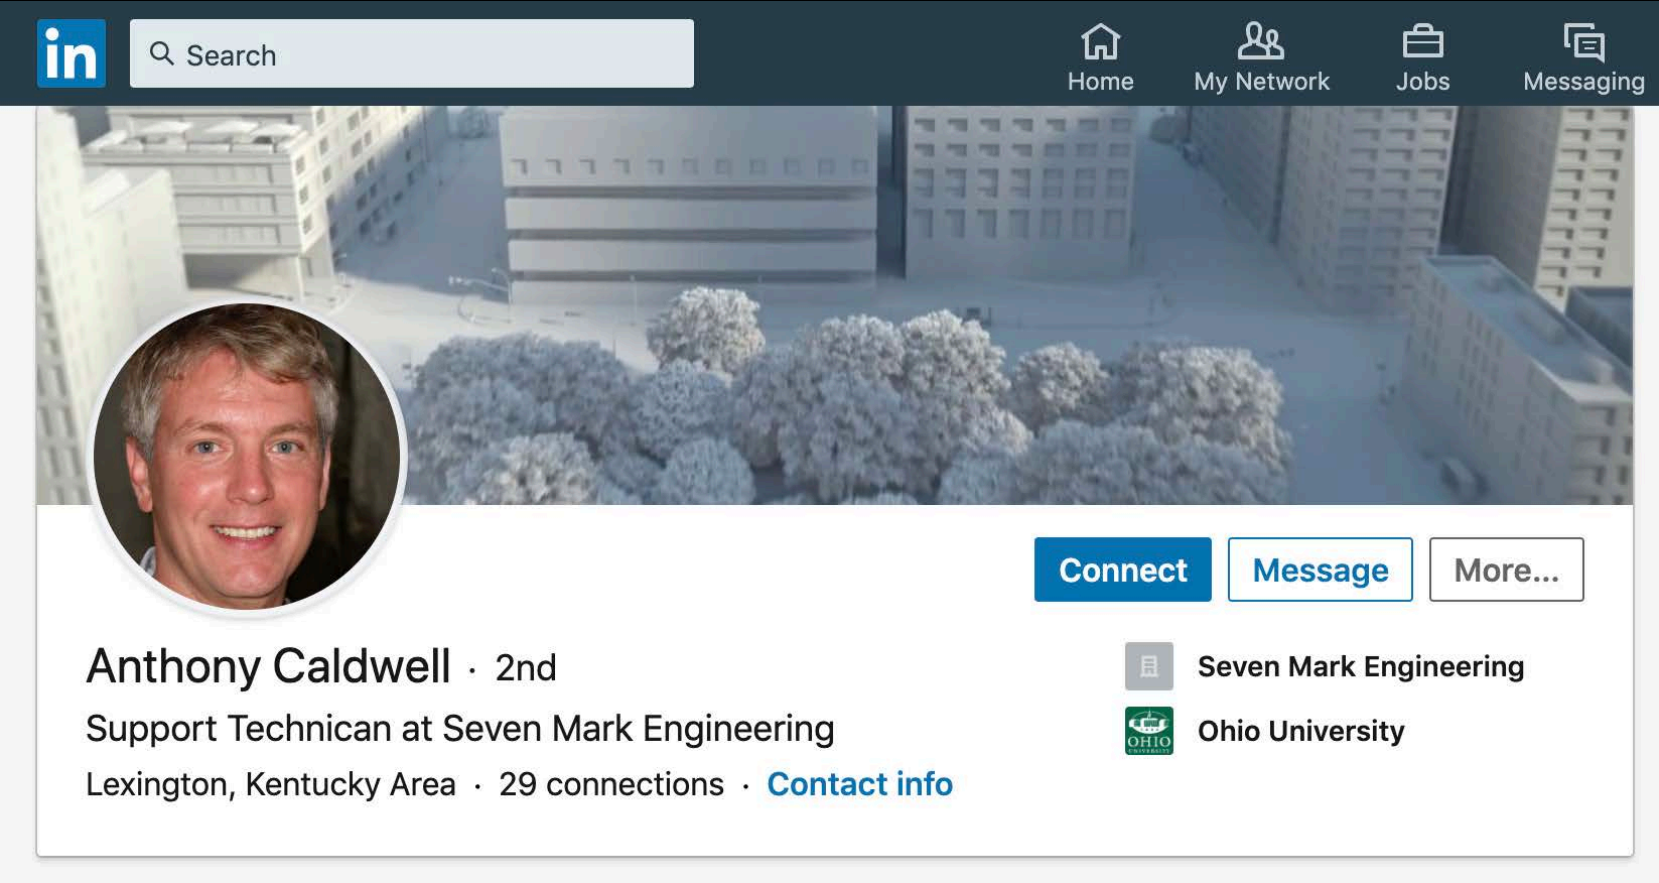

10%

Attendees with accounts involved in botnets or corporate breaches

INFORMATION IS THE WEAPON

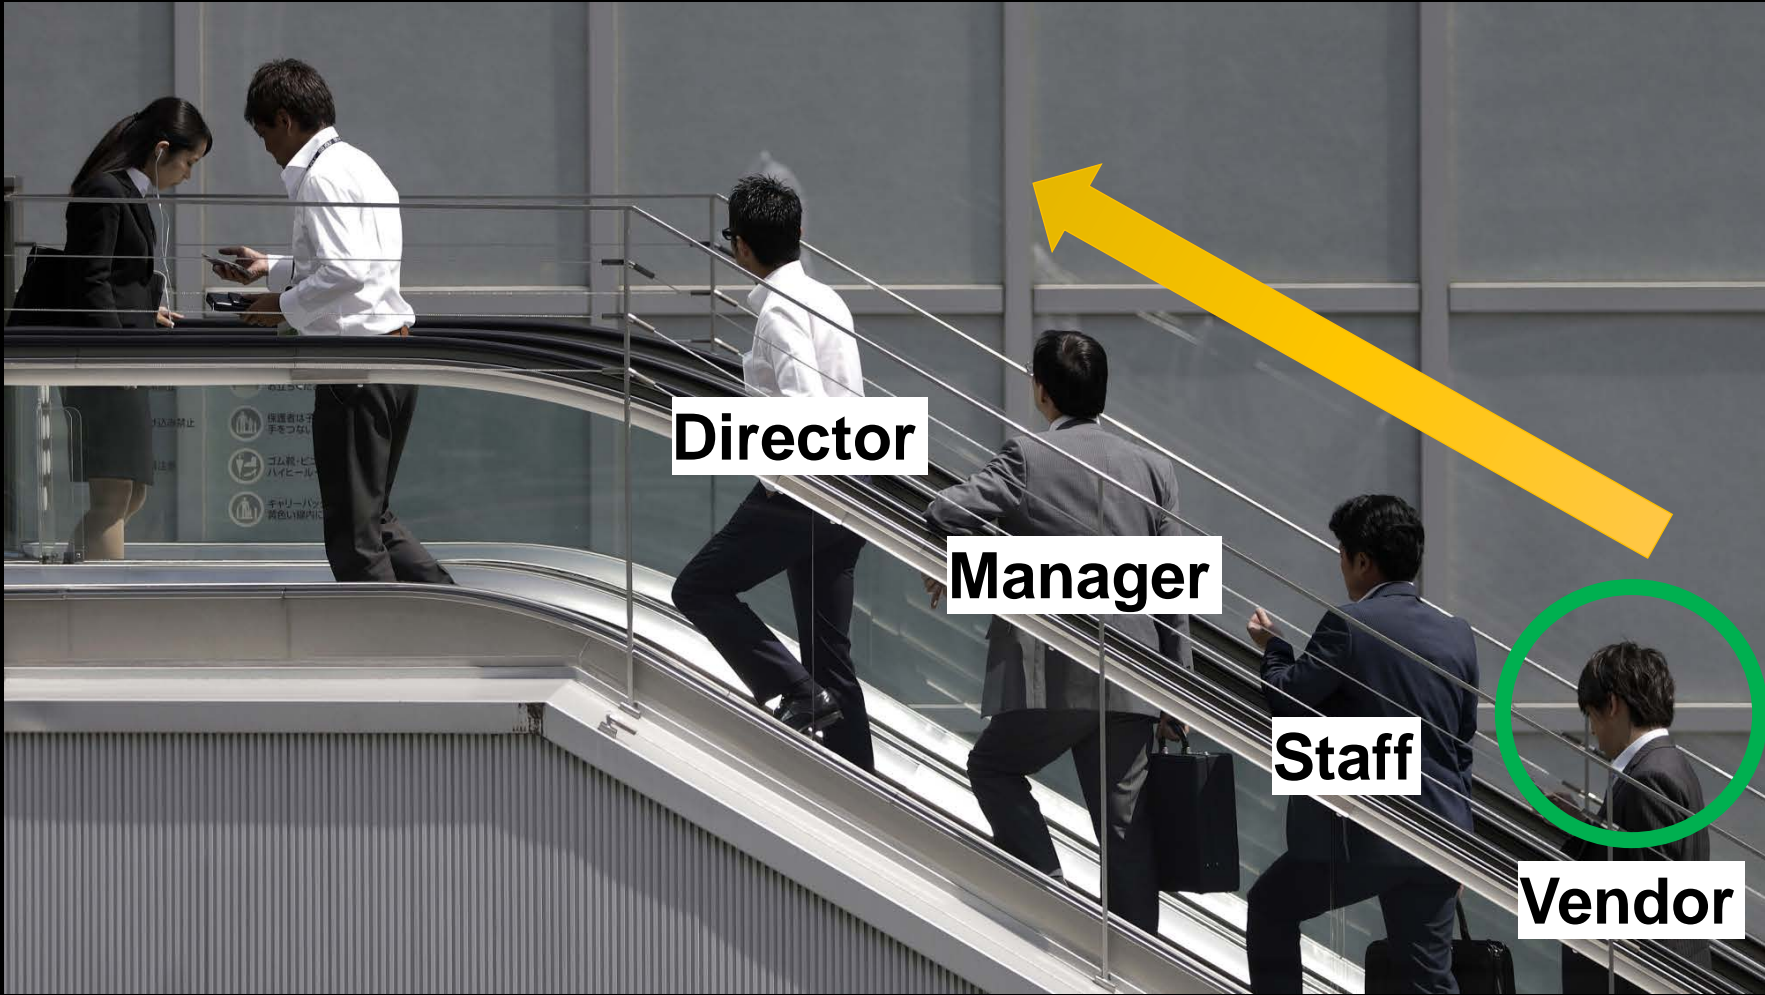

WHO DO YOU TRUST?

The image shows a screenshot of a LinkedIn profile for Anthony Caldwell. At the top, there is a navigation bar with the LinkedIn logo, a search bar, and icons for Home, My Network, Jobs, and Messaging. Below the navigation bar is a large background image of a city street with trees. On the left side of the profile, there is a circular profile picture of Anthony Caldwell, a man with short brown hair and a blue shirt. To the right of the profile picture are three buttons: "Connect", "Message", and "More...". Below the profile picture, the name "Anthony Caldwell" is displayed, followed by "2nd" indicating his degree. His current position is "Support Technican at Seven Mark Engineering" (note the typo in the original image). Below that, it says "Lexington, Kentucky Area · 29 connections · [Contact info](#)". To the right of the profile information, there are two icons representing organizations: a building icon for "Seven Mark Engineering" and the Ohio University logo for "Ohio University".
