The DAL terminal is convenience redefined. A customer can walk from one end of the concourse to the other in five minutes or less. Popular Dallas-based, sit-down eateries Chili's and Cantina Laredo are an option no matter the customer's gate assignment.

DAL's highest-grossing and largest concession, Cool River Café, is a local Dallas eatery that draws big crowds – especially at lunch time - because of its proximity to the Live at Love stage.

@DallasLoveField this is a great place to be stuck in... spent my time at Cru wine bar. Zoe was so accommodating to a single traveler! All of Cru's employees seemed great, but Zoe was lovely!

I appreciate airports with regional flair. In Dallas I can eat bbq and listen to a cowboy sing live. Ok, I ate a salad, but the singing and the iced tea were really good.
