Global Security Approaches

Airports share many similarities with other large facilities where large groups of people pass through on a constant basis. Securing these facilities requires a continual state of vigilance – always staying ahead of those who seek to inflict damage and suffering. This panel will discuss strategies and best practices from other industries for ensuring the highest level of protection and security no matter the circumstances.

Daniel Danson, *Senior Director of Global Safety and Security*, Marriott International

Jennifer Sullivan, *Senior Director, Corporate Security*, Maple Leafs Sports & Entertainment
