# RIGHT SIZED SECURITY IN THE UNREGULATED ENVIRONMENT - TOP 10

1. Admit you cannot prevent everything and prepare for this – governance and oversight
2. Determine your risk tolerance, threat profile, and corporate vision for security
3. Focus on the probable – not the possible
4. Don't let the security director or department dictate policy
5. Find your “regulator” to share the risk and own what you own

# RIGHT SIZED SECURITY IN THE UNREGULATED ENVIRONMENT - TOP 10

6. Explore your comparables to establish reasonableness
7. Be blunt, open, and bold with your board/oversight
8. Use consultants judiciously
9. Respond well
10. Say what you do, do what you say, prove it consistently
