

RECOGNIZED AS A
TOP TRAVEL APP BY OUR
MEMBERS AND THE PRESS

Forbes

"...the entire process is worlds
faster than the other options!"

"...a huge time-saver for regular
international travelers."

The Washington Post

"Best kept secret in air travel"

"Wow. I was through customs so
fast. Excellent service and long-
awaited convenience. Bravo!"

- App Store

"Quicker than buying bottled water!"

- Google Play Store

HOW IT WORKS

Mobile Passport *plus* allows you to securely store your passport information on your phone and to share it with CBP.

BEFORE YOU GO:

Download the app
available for iOS & Android

Set up your profile
for you and your family

ONCE YOU ARRIVE:

Connect to Wi-Fi or data
and check the date & time
setting on your device

Securely submit answers
regarding travel to CBP

Skip the kiosk
and access the designated MPC
lane to scan your digital receipt
