

New Contracting Opportunity

Fixed Base Operator for Northeast Philadelphia Airport

Dear Vendors,

Please be advised of the following contracting opportunity:

Request for Proposals ("RFP") at Northeast Philadelphia Airport ("PNE")

The City of Philadelphia, Department of Commerce, Division of Aviation seeks qualified Applicants to provide, develop and operate, at its cost, fixed base operator ("FBO") services and facilities at the Airport ("FBO Services and Facilities"), including the development, construction, management, operation, and maintenance of a first-class state of the art general aviation FBO facility ("FBO Facility") on an undeveloped parcel of approximately 20 acres at the Airport ("Parcel").

An Economic Opportunity Plan ("EOP") has been established with the following participation ranges for Minority and Woman Business Enterprises ("M/WBEs"):

- Construction: 20% - 25% MBE and 15% - 20% WBE
- Design/Engineering: 15% - 20% MBE and 10% - 15% WBE
- Operations: 5% - 10% MBE and/or 3% - 5% WBE
- Consultation: 5% - 10% MBE and 3% - 5% WBE

Interested firms may download the opportunity documents on or after March 24, 2021 by clicking [here](#).

Key Dates (subject to change via Amendment to the RFP, posted on the PHLContracts website with the opportunity)

April 7, 2021 – Mandatory Virtual Pre-Proposal Meeting at 2:00 PM EST

April 14, 2021 – Final deadline to submit questions regarding the RFP at 5:00 PM EST

May 12, 2021 – Deadline for Submitting Proposals at 5:00 PM EST
