DESCRIPTION: Bids are being solicited for construction services to purchase and install 12 drains for the carport canopies behind the Public Safety Headquarters (Building 610) for the Wayne County Airport Authority at Detroit Metro Airport. The contract is a one-time procurement. Installation includes saw cutting existing concrete pavement, installation of storm sewer, connection to existing storm sewer, modifications to the existing canopy downspouts, and replacement of base material and concrete.

In an effort to grow WCAA SBE opportunities in airport contracting, the Procurement Administrator has designated this project as an SBE Development Contract. Responses to SBE Development Contracts may only be submitted by WCAA SBE Certified firms. Note: WCAA SBE Certification status must be active as of the quote deadline. *It is the Bidder's responsibility obtain and view all solicitation documents and addenda issued by the Wayne County Airport Authority Airport Authority for this RFB.*
