

Rhode Island
Airport Corporation

**Invitation for Bids (IFB) No. 33240
Potassium Acetate Deicing Liquid
Rhode Island T. F. Green International Airport**

The Rhode Island Airport Corporation (RIAC) is seeking bids to provide, on an as-needed basis, approximately 15,000 to 20,000 gallons per year of deicing liquid, meeting the defined specification. This amount is based upon estimates and subject to change at any time. Contract award shall be for five (5) years, renewable annually through the issuance of an annual purchase order for the estimated annual usage, at RIAC's sole discretion.

This IFB may be downloaded from the RIAC website at: www.flyri.com/riac/procurement
