

**GREATER ORLANDO AVIATION AUTHORITY  
NOTICE OF COMMUNITY OUTREACH EVENT FOR THE  
EXPANSION OF THE TERMINAL C PROGRAM AT THE  
ORLANDO INTERNATIONAL AIRPORT**

Notice is hereby given by the Greater Orlando Aviation Authority (Authority) for interested firms are to attend a **COMMUNITY OUTREACH EVENT FOR THE EXPANSION OF THE TERMINAL C PROGRAM** at the Orlando International Airport.

Terminal C is a new airport terminal that recently opened to the public in September 2022 with airline service to domestic and international destinations. It is a state-of-the-art facility that includes 15 airline gates with a landside terminal, using the latest technology. Terminal C is connected to a multi-modal transportation facility that includes a variety of ground transportation options, including passenger rail. As a result of the 2020 COVID pandemic, the Authority's Capital Improvement Plan was scaled back and portions of the Terminal C program were deferred to a later date. With passenger volume returning, the Authority intends to commence development activities of previously-deferred projects.

The Community Outreach Event will provide interested firms the opportunity to learn more about the future projects and procurements for the expansion of the Terminal C Program at the Orlando International Airport.

Potential projects and procurements will include, but are not limited to:

- Program Management and Oversight Services
- Terminal C Multi-Modal Connector Pedestrian Bridge and Rental Car Lobby (Design/Build)
- Terminal C Airside Concourse Gates C250-C254
- Terminal C Airfield Civil, Apron and Taxiway
- Terminal C Rental Car Quick Turn-Around Facility
- Terminal C Ground Support Equipment Facility
- Terminal C Baggage Handling System Expansion
- Terminal C Other Improvements for Optimization of Operations, such as garage, vertical circulation and landscaping improvements

The **Community Outreach Event** will be held via webcast. Please register for the Community Outreach Event for the Expansion of the Terminal C Program to be held on Tuesday, November 22, 2022, at 1:00 p.m. EST at:

<https://attendee.gotowebinar.com/register/4324823861754877966>

After registering, you will receive a confirmation email containing information about joining the webinar.

The public is encouraged to attend.

This advertisement will also be posted on the Aviation Authority's website with a direct link to the webcast registration under Airport Business/Business Opportunities/Construction Opportunities.
