

**INVITATION FOR BIDS**  
**PVD Taxiway C Realignment & Rehabilitation**  
**At**  
**Rhode Island T. F. Green International Airport**  
**CONTRACT NO. 33592**

An Invitation for Bids (IFB) has been posted for the construction of PVD Taxiway C Realignment & Rehabilitation project. The project generally includes reconstruction and realignment of a portion of Taxiway C between Runway 5-23 and Taxiway C1. To the southeast between Taxiway C1 and Runway 34, the Taxiway will retain the current alignment and will receive an asphalt overlay. The project also includes:

- Full depth asphalt pavement construction.
- Earthwork and demolition of existing pavement, soils as necessary, electrical equipment, and drainage infrastructure.
- New LED edge lighting and signage, conduit and circuitry.
- Installation of Runway Guard Lights at the Runway 34 intersection with Taxiway C and the intersection of Taxiway C1 and Runway 16-34.
- Installation of new Runway 16-34 RGL circuit
- Replacement of the Taxiway C circuit homerun cables.
- New stormwater drainage pipes, inlet structures, manholes, and stormwater control structures.
- Grading of the Taxiway Safety Area and adjacent turf limits to Runway 16-34.
- New pavement markings.
- Electrical vault upgrades.
