Session Information – March 16, 2023

Living Sustainable

This panel discussion will cover programs, initiatives, and successes that demonstrate how the Aviation Department strives to incorporate sustainability into everything we do.

Runway to PHX Procurement Processes

In this session, we will take off from the PHX runway to get a birds-eye view of the Aviation Department's procurement processes. Providing you with insights on how to become an Aviation business partner.

Fulfilling Contract Commitments

This session will discuss Contractor expectations during their contract term and how to establish and maintain a successful partnership to remain in good standing with PHX from contract start to closeout.

Should I Get Certified?

This workshop will provide an overview of the City's small business certification programs and how concession contracts are monitored at PHX.

Let's Talk Concessions

This panel features airport concessionaires as they discuss their journey of building their business at the airport, working with small businesses, and navigating the city process.

All Things Design & Construction

Tune in to hear from our Design and Construction division, learn what they do, and what opportunities are on the horizon. Also, learn the ins and outs of identifying opportunities and successfully submitting for Design and Construction jobs.
