City of Philadelphia (“City”), Department of Aviation (“Aviation”) seeks qualified Applicants (“Applicant(s)”) to provide on-call professional and comprehensive planning services at Philadelphia International Airport (“PHL”) and Northeast Philadelphia Airport (“PNE”) or the (“Airport”). Services may include, but not limited to: staff augmentation (Senior Airport Planner); advanced master planning; economic analysis; forecasting growth; creating schematic plans and runway and taxiway layouts; updating existing airport layout plans; evaluating space usage in the terminals; reanalyzing studies for terminal expansion; conducting traffic and parking studies; estimating costs; developing an implementation schedule for proposed improvements; reviewing tenant construction permit applications; and preparing Environmental Impact Studies consistent with the National Environmental Protection Act.

B. Department Overview

The City administers the day-to-day operations of the Airport through Aviation, under the direction of its Chief Executive Officer (“CEO”). The Deputy Director, Capital Development Group or her designee will manage the work performed by the Applicant.

C. Project Background

Philadelphia Airport System

PHL is classified by the Federal Aviation Administration (“FAA”) as a large air traffic hub (enplaning 1.0% or more of the total passengers enplaned in the U.S.). According to data reported for calendar year 2021 by Airports Council International – North America, PHL was ranked the twenty-first busiest airport in the United States, serving 19.6 million passengers; twenty-eighth busiest in the nation for aircraft operations; and fourteenth busiest in the nation for cargo tonnage.

The Airport serves residents and visitors from a broad geographic area that includes eleven counties within four states: Pennsylvania, New Jersey, Delaware, and Maryland. The Airport System consists of the following:

Philadelphia International Airport

PHL has approximately 2,598 acres located partly in the southwestern section of the City and partly in the eastern section of Delaware County, about 7.2 miles from Center City Philadelphia. The Airport’s runway system consists of parallel Runways 9L-27R and 9R-27L, crosswind Runway 17-35, commuter Runway 8-26, and interconnecting taxiways. PHL’s terminal facilities consist of seven terminal units totaling approximately 3.3 million square feet and include ticketing areas, passenger and baggage screening areas, passenger hold rooms and other amenities, baggage claim areas, a variety of food, retail and service establishments, and other support areas. Outside of the PHL terminal area, PHL also has the following: six active cargo facilities; various support buildings; training areas; an air traffic control tower; a fixed-base operator; corporate hangars; a fueling supply facility; two American Airlines aircraft

maintenance hangars; a first-class office complex; a 14-story hotel; seven rental car facilities; a cell-phone lot; employee parking lots; and five public parking garages.

Northeast Philadelphia Airport

PNE is located on approximately 1,118 acres situated within the City limits, ten miles northeast of Center City Philadelphia. PNE serves as a reliever airport for PHL and provides for general aviation, air taxi, corporate, and occasional military use. The airport has no scheduled commercial service. There are presently 85 T-hangars, ten corporate hangars and six open hangars for general aviation activities.

Diversity, Equity, and Inclusion Mission

The Transportation Research Board - Airport Cooperative Research Program (ACRP) defines Diverse Workforce as a workforce that includes individuals with historically disadvantaged backgrounds, including minorities and women. The workforce includes both internal and external employees at airports. Internal workforce refers to staff employed directly by the airports. External workforce refers to staff employed by contractors, vendors, airlines, and other firms working at or for the airport.

The Division shares the ACRP's commitment to advancing cultural diversity within airport business contracting and workforce programs as a means of promoting inclusion of key staff from various social, racial and ethnic backgrounds. The Division believes that significant value can be derived from increasing the diversity of an airport's staff and workforce. A wider representation of viewpoints, backgrounds, experiences, and skill sets enhances the work environment.

The Division is committed to diversity, equity and inclusion. As such, it desires for its contractors to prioritize diversity, equity and inclusion within their organization. Accordingly, we ask that upon entering a contract with the Division, your company agrees to operate inclusively and to its best effort build a diverse management team of qualified professionals that reflects the makeup of the community at large.

The City intends to enter into an agreement with one or more qualified Applicant(s) to provide Services at the Airport described in Section II, Scope of Work. The form is provided with Appendix B-1 to this RFP. If Applicant is a nonprofit organization, such applicants must include a completed “Diversity Report of Nonprofit Organizations” on the form provided with Appendix B-2 of this RFP. For each such proceeding, state the name of the case or proceeding, the parties involved, the nature of the claims involved, its current status and the final disposition, if any. Provide the same information for any officer, director, principal, or partner of Applicant’s organization, and for any subcontractor Applicant plans to use to perform the services described in this RFP.

13. Statement of Financial Capacity

Provide documentation demonstrating fiscal solvency and financial capability to perform the work sought by this RFP. Provide a general, independent statement of the Applicant’s financial condition in addition to one or both of the following:

- Applicant’s most recent audited or unaudited financial statements; Most recent IRS Form 990 (for non-profit organizations only).

14. Local Business Entity or Local Impact Certification. (Optional if applicable to Applicant)

If applicable, Applicant may elect to provide the certification statement in the form of Appendix D as to Applicant's status as a Local Business Entity or its local impact if awarded the contract. (See Section III.I for more information.)

15. LGBTQ-Owned Business Data Collection (Optional if applicable to Applicant and/or Applicant's proposed subcontractors)

As part of the City's commitment to diversity, equity and inclusion in all aspects of City procurement, the City is collecting data to identify the number of companies beneficially owned and controlled by Lesbian, Gay, Bisexual, Transgender and Queer persons who wish to do business with the City (collectively, "LGBTQ businesses"). The data will be used to identify the number of LGBTQ businesses currently doing business with the City. It will also assist in efforts to include LGBTQ certified businesses into the City's vendor database. Response to this form, Appendix E, is voluntary. (See Section III. J)

16. Disclosure Requirements

Disclose all information required under Chapter 17-1400 of the Philadelphia Code, including any local political campaign contributions, on the forms provided through eContract Philly. Provide a written acknowledgement and confirmation in the proposal. (See Section III.K for more information.)

17. Defaults

Provide a description, in detail, of any situation occurring within the past five (5) years in which the Applicant, or a joint venture or partnership of which Applicant was a part, defaulted or was deemed to be in noncompliance of any contractual obligations, explaining the issues involved in the default, the outcome, the actions taken by Applicant to resolve the matter. Also provide the name, title and telephone number of the party to the contract who asserted the event of default or noncompliance or the individual who managed the contract for that party.

18. Transparency in Business

Provide the following statement: "If awarded this contracting opportunity and this contract opportunity is valued at or over \$100,000 or the amount expected to be realized by the Applicant is at or over \$100,000, the Applicant will provide all Transparency in Business disclosures required by Section 17-1402(1)(b)(.4) of the Philadelphia Code prior to contract conformance."

Proposals must include this statement in order to be considered responsive to the requirements of this contracting opportunity. Such disclosures shall be submitted online at phila.gov/tibform after award and before conformance. No contract valued at or over \$100,000 will be conformed unless the successful Applicant has made these disclosures. (See Section III.F for more information.)

B. Notice to Applicants to State Requested Exceptions to Contract Terms in Proposal

The City's standard contract terms and conditions for services of the type sought by this contracting opportunity (Contract Terms) are set forth in the General Provisions attached to this RFP as Appendix A. By submitting a proposal in response to this contract opportunity, the

Applicant agrees that, except as provided herein, it will enter into a contract with the City containing substantially the Contract Terms.

For any contract awarded for work to be performed on or after July 1, 2019 the City has instituted a policy of making all of its payments under the contract through electronic deposits into the awarded entity's designated bank account. Before any City payments are made, the awarded entity will be required to supply the City with the information necessary for the City to initiate electronic payments by completing one of the electronic payment processing enrollment forms available on the City's vendor portal at <https://secure.phila.gov/finance/vendorpayments>. Applicants awarded a contract before July 1, 2019 are encouraged to complete one of the electronic payment processing enrollment forms before the conversion to electronic payments becomes mandatory. The City intends to stop issuing paper checks.

Applicants must state clearly and conspicuously any modifications, waivers, objections or exceptions they seek ("Requested Exceptions") to the Contract Terms in a separate section of the proposal entitled "Requested Exceptions to Contract Terms." For each Requested Exception, the Applicant must identify the pertinent Contract Term by caption and section number and state the reasons for the request. The Applicant must also propose alternative language or terms for each Requested Exception. Requested Exceptions to the City's Contract Terms will be approved only when the City determines in its sole discretion that a Requested Exception makes business sense, does not pose unacceptable risk to the City, and is in the best interest of the City. By submitting its proposal, the Applicant agrees to accept all Contract Terms to which it does not expressly seek a Requested Exception in its proposal. The City reserves the right, in its sole discretion, to evaluate and reject proposals based in part on whether the Applicant's proposal contains Requested Exceptions to Contract Terms, and the number and type of such requests and alternative terms proposed.

If, after the City issues its Notice of Intent to Contract to an Applicant, the Applicant seeks Requested Exceptions to Contract Terms that were not stated in its proposal, the City may, in its sole discretion, deny the Requested Exceptions without consideration or reject the proposal.

The City reserves the right, in its sole discretion, (i) to waive any failure to comply with the terms of this Notice to Applicants if it determines it is in the best interest of the City to do so; and (ii) to require or negotiate terms and conditions different from and/or additional to the Contract Terms in any final contract resulting from this contract opportunity, without notice to other Applicants and without affording other Applicants any opportunity to revise their proposals based on such different or additional terms.

C. Health Insurance Portability and Accountability Act (HIPAA)

The work to be provided under any contract entered into pursuant to this RFP may be subject to the federal Health Insurance Portability and Accountability Act (HIPAA), as amended, and/or other state or federal laws or regulations governing the privacy and security of health information. The selected Applicant must comply with the "Terms and Conditions Relating to Protected Health Information" which are posted on the City's website at

<https://philawx.phila.gov/econtract/> under the “About” link and which will be incorporated into the contract by reference.

D. Office of Economic Opportunity – Participation Commitment/Diversity Reports

Each Applicant is subject to the provisions of Mayoral Executive Order 01-21, the City’s Antidiscrimination Policy, and is required to exercise its “Best and Good Faith Efforts” in response to the ranges specified in the Appendix B-1 portion of Appendix B, included with this RFP for participation by Minority Business Enterprises (“MBE”), Woman Business Enterprises (“WBE”) and Disabled Business Enterprises (“DSBE”) (collectively, “M/W/DSBE”) as those terms are defined in Executive Order 01-21. Forms, instructions and special contract provisions for the Antidiscrimination Policy explain these requirements in more detail and are included in Appendix B-1 to this RFP. Applicants are required to complete and return with their proposals the “Solicitation for Participation and Commitment” form which is included in Appendix B-1. The City encourages proposals from M/W/DSBE Applicants. M/W/DSBE Applicants, like all other Applicants, are required to submit a proposal that is responsive to the Antidiscrimination Policy. The M/W/DSBE Applicant will receive credit towards the participation range for its certification category (i.e., MBE range, WBE range or DSBE range).

If Applicant is a nonprofit organization, Mayoral Executive Order 01-21 requires nonprofit Applicants to document their diversity policies. Applicants that are nonprofit organizations should refer to the special contract provisions and instructions attached to this RFP as Appendix B-2. Included in Appendix B-2 is the form, “Diversity Report of Nonprofit Organizations,” which should be completed and returned with proposals submitted by nonprofit Applicants in addition to the Solicitation for Participation and Commitment form.

If Applicant is a nonprofit organization, Mayoral Executive Order 01-21 requires nonprofit Applicants to document their diversity policies. Applicants that are nonprofit organizations should refer to the special contract provisions and instructions attached to this RFP as Appendix B-2. Included in Appendix B-2 is the form, “Diversity Report of Nonprofit Organizations,” which should be completed and returned with proposals submitted by nonprofit Applicants even if a nonprofit Applicant is also submitting a “Solicitation for Participation and Commitment” form.

E. The Philadelphia Tax and Regulatory Status and Clearance Statement and Tax Compliance Certification

It is the policy of the City of Philadelphia to ensure that each contractor and subcontractor has all required licenses and permits and is current with respect to the payment of City taxes or other indebtedness owed to the City (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), and is not in violation of other regulatory provisions contained in the Philadelphia Code. To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each Applicant is required to submit with its proposal the certification statement entitled City of Philadelphia Tax and Regulatory Status and Clearance Statement which is attached to this RFP as Appendix C. Each Applicant is also required to submit with its proposal a current Tax Compliance statement to be obtained at <https://rev.phila.gov/taxcompliance/>. If Applicant is compliant, print and submit with

Appendix C a copy of the Certificate of Tax Clearance. If Applicant is not currently compliant, print and submit with Appendix C a copy of the Tax Compliance webpage indicating non-compliance.

If the Applicant is not in compliance with the City’s tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made, Applicants will not be eligible for award of the contract contemplated by this RFP.

Applicants MUST ensure that the Tax Identification Number (TIN) with which they are registered on eContract Philly is the identical TIN reflected on the submitted City of Philadelphia Tax and Regulatory Status and Clearance Statement. Any deviation from this may result in the disqualification of the Applicant at the sole discretion of the City.

The selected Applicant will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFP and the selected applicant may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Applicants are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

If an Applicant or a proposed subcontractor is not currently in compliance with the City’s tax and regulatory codes, please contact the Revenue Department to make arrangements to come into compliance at (215) 686-6565 or email tax.clearance@phila.gov (or please use the general contact information: 215-686-6600 or revenue@phila.gov).

Applicants need not have a City of Philadelphia Business Income and Receipts Tax Account Number (formerly Business Privilege Tax Account Number) and Commercial Activity License Number (formerly Business Privilege License Number) to respond to this RFP, but will, in most circumstances, be required to obtain one or both if selected for award of the contract contemplated by the RFP.¹ Applications for a Business Income and Receipts Tax Account Number or a Commercial Activity License² may be made on line by visiting the City of Philadelphia Business Services Portal at <https://www.phila.gov/services/business-self-employment/business-taxes/> and clicking on “Get a tax account.” If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Income and Receipts Tax Account Number or the Department of Licenses and Inspections through 215-686-8686 for questions related to the Commercial Activity License.

F. Transparency in Business Demographic Data Disclosures

¹ Applicants that have a Business Privilege Tax Number should use that number, as it is automatically their Commercial Activity License Number, and need not apply for a new Commercial Activity License Number. Similarly, Applicants with a Business Privilege Tax Account Number should use that number as their Business Income and Receipts Tax Account Number.

² Commercial Activity Licenses are not typically required for non-profit organizations; however, Business Income and Receipts Tax Account Numbers typically are required.

In accordance with Philadelphia Code Section 17-1402(1)(b)(.4), if the resulting contract is valued at or over \$100,000, the Applicant, if awarded, agrees to provide the following information before conformance of the contract:

1. Applicant's and each anticipated subcontractor's prior years of experience performing on City contracts in any capacity during the five calendar years prior to the date the application must be filed;
2. Demographic Data (race, ethnicity, gender identity, job title, salary range, length of employment, Philadelphia residence, and other categories that may be established by regulation) on all individuals employed by the Applicant and each anticipated subcontractor as of the Report Date (December 31 of the year preceding the date the application is filed); and
3. Demographic Data on all individuals serving as board members of the Applicant on the Report Date.

Such disclosures shall be made on the online form provided by the City at: phila.gov/tibform. The resulting contract will include a representation and covenant by the successful applicant that these disclosures contain no material misstatements or omissions. Under Section 17-1402(1)(f) of the Code, material misstatements or omissions of these disclosures under two or more contracts shall constitute a breach of such representation and covenant, rendering the contract voidable at the City's option, and shall subject the contractor to liquidated damages to the City in the amount of ten percent (10%) of the total value of the payments to be made to the contractor under the contract.

In addition, Applicant understands that false certification or representation is subject to prosecution under Title 18 Pa.C.S.A. Section 4904.

G. Compliance with Philadelphia 21st Century Minimum Wage and Benefits Ordinance

Applicants are advised that any contract awarded pursuant to this RFP is a "Service Contract," and the successful Applicant under such contract is a "Service Contractor," as those terms are defined in Chapter 17-1300 of the Philadelphia Code ("Philadelphia 21st Century Minimum Wage and Benefits Standard Ordinance") Any Subcontractor (as defined in the General Provisions attached as an Appendix to this RFP), and any sub-subcontractor at any tier proposed to perform services sought by this RFP, is also a "Service Contractor" for purposes of Chapter 17-1300. If any such Service Contractor (i.e. Applicant and subcontractors at any tier) is also an "Employer," as that term is defined in Section 17-1302 (more than five employees), and is among the Employers listed in Section 17-1303 of the Code, then during the term of any resulting contract, it is subject to the minimum wage and benefits provisions set forth in Chapter 17-1300 unless it is granted a waiver or partial waiver under Section 17-1304. Absent a waiver, these minimum wage and benefits provisions, which include a minimum hourly wage that is adjusted annually based on the CPI, health care and sick leave benefits, are mandatory and must be provided to Applicant's employees or the employees of any subcontractor at any tier who perform services related to the City contract resulting from this RFP. Applicants and any subcontractors at any tier proposed by Applicants are strongly encouraged to consult Chapter 17-

1300 of the Philadelphia Code,³ the General Provisions, and the About/Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors links on the eContract Philly home page for further details concerning the applicability of this Chapter to, and obligations it imposes on certain City contractors and subcontractors at any tier. In addition to the enforcement provisions contained in Chapter 17-1300, the successful Applicant's failure or the failure of any subcontractor at any tier to comply (absent an approved waiver) with the provisions of Chapter 17-1300, or any discrimination or retaliation by the successful Applicant or Applicant's subcontractors at any tier against any of their employees on account of having claimed a violation of Chapter 17-1300, shall be a material breach of any Service Contract resulting from this RFP. By submitting a proposal in response to this RFP, Applicants acknowledge that they understand, and will comply with the requirements of Chapter 17-1300, and will require the compliance of their subcontractors at any tier if awarded a contract pursuant to this RFP. Applicants further acknowledge that they will notify any subcontractors at any tier proposed to perform services related to this RFP of the requirements of Chapter 17-1300.

H. Certification of Compliance with Equal Benefits Ordinance

If this RFP is a solicitation for a "Service Contract" as that term is defined in Philadelphia Code Section 17-1901(4) ("A contract for the furnishing of services to or for the City, except where services are incidental to the delivery of goods. The term does not include any contract with a governmental agency."), and will result in a Service Contract in an amount in excess of \$250,000, pursuant to Chapter 17-1900 of the Philadelphia Code (*see* footnote 3 for online access to the Philadelphia Code), the successful Applicant shall, for any of its employees who reside in the City, or any of its employees who are non-residents subject to City wage tax under Philadelphia Code Section 19-1502(1)(b), be required to extend the same employment benefits the successful Applicant extends to spouses of its employees to life partners of such employees, absent a waiver by the City under Section 17-1904. By submission of their Proposals in response to this RFP, all Applicants so acknowledge and certify that, if awarded a Service Contract pursuant to this RFP, they will comply with the provisions of Chapter 17-1900 of the Philadelphia Code and will notify their employees of the employment benefits available to life partners pursuant to Chapter 17-1900. Following the award of a Service Contract subject to Chapter 17-1900 and prior to execution of the Service Contract by the City, the successful Applicant shall certify that its employees have received the required notification of the employment benefits available to life partners and that such employment benefits will actually be available, or that the successful Applicant does not provide employment benefits to the spouses of married employees. The successful Applicant's failure to comply with the provisions of Chapter 17-1900 or any discrimination or retaliation by the successful Applicant against any employee on account of having claimed a violation of Chapter 17-1900 shall be a material breach of the any Service Contract resulting from this RFP. Further information concerning the applicability of the Equal Benefits Ordinance, and the obligations it imposes on certain City contractors is contained in the General Provisions attached to this RFP and the About/Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors links on the eContract Philly home page.

I. Local Business Entity or Local Impact Certification

Pursuant to Mayoral Executive Order No. 04 -12, the City Department will, in the selection of the successful Applicant, consider whether that Applicant has certified that either (1) Applicant meets the criteria stated in Section 17-109(3)(b) of the Philadelphia Code to qualify as a Local Business Entity or (2) in the performance of the resulting contract, Applicant will employ City residents, or perform the work in the City. Any Applicant who wishes to demonstrate its eligibility for this consideration shall do so by completing, executing and attaching to its application a completed Local Business Entity or Local Impact Certification, the form of which is attached to this RFP as Appendix D. The Applicant shall then also include in a separate section of the application, labeled “Local Business Entity or Local Impact Certification,” a statement that the Applicant believes it has met the Local Business Entity or Local Impact criteria “as set forth in the attached Local Business Entity or Local Impact Certification.” The City Department shall deem it a positive factor where the Applicant has, in the City’s sole discretion, met the Local Business Entity or Local Impact criteria.

J. LGBTQ Applicant Opportunity Data

As part of the City’s commitment to diversity, equity and inclusion in all aspects of City procurement, the City is collecting data to identify the number of companies beneficially owned and controlled by Lesbian, Gay, Bisexual, Transgender and Queer persons who wish to do business with the City (collectively, “LGBTQ businesses”). The data will be used to identify the number of LGBTQ businesses currently doing business with the City. It will also assist in efforts to include LGBTQ certified businesses into the City’s vendor database. Response to this form, Appendix E, is voluntary.

K. Mandatory Online Application Requirements

You must apply online in order to be eligible for award of the non-competitively bid contract opportunity described in this RFP; proposals and any other related documents prepared in response to this RFP will not be considered unless they are filed to the correct contract opportunity established for this RFP (identified by opportunity number), within the prescribed time period, through eContract Philly, which can be accessed on the City’s website at <https://philawx.phila.gov/econtract/>.⁴ The posting of this RFP on eContract Philly is also referred to as a Notice of Contracting Opportunity.

The City requires that any Applicant who establishes an account on eContract Philly and utilizes that account for the purpose of responding to a particular contract opportunity is the same individual or business entity that, if awarded the contract, will enter into and perform the resulting contract with the City. **Applicants MUST ensure that the company name and Tax Identification Number (TIN) with which they are registered on eContract Philly is the identical name and TIN under which they are submitting their application. Any deviation from this may result in the disqualification of the Applicant at the sole discretion of the City. If the Applicant wishes to apply for an opportunity using a name or TIN which is**

⁴ The eContract Philly website is compatible with Internet Explorer, Google Chrome and Apple Safari; but the site is not presently compatible with Mozilla Firefox.

different from the registration account, the Applicant must register the new name and TIN with eContract Philly before submitting its application for the opportunity. Except in the case of joint ventures, applications posted on eContract Philly from Applicants that purport to be filing an application on behalf of another individual or business entity will not be considered, even if the other business entity is an affiliate of the Applicant.

In the case of multiple business entities that if awarded a contract have formed, or intend to form a joint venture to perform the contract, a single business entity may file an application on behalf of all such business entities so long as (i) the filing business entity is or will be a member of the joint venture, (ii) the application is made in the name of the existing or proposed joint venture, (iii) documentation is submitted with the application identifying all business entities that comprise, or will comprise, the joint venture, and demonstrating a binding agreement among those business entities to perform the contract as the joint venture identified in the application (for a joint venture that has not yet been formed, documentation signed by each identified business entity evidencing a commitment to form the joint venture if awarded the contract is sufficient), and (iv) the non-filing business entities are eligible for award of a City contract and make the disclosures required by Chapter 17-1400 of the Philadelphia Code (described in greater detail below) within fourteen (14) days after the joint venture receives notice that it has been awarded the contract.

Pursuant to Chapter 17-1400 of the Philadelphia Code, Applicants are required to disclose their direct and indirect campaign contributions to political candidates and incumbents who are nominated, running for, or currently serving in, a local Philadelphia elected office and to political committees/parties that are operating in Philadelphia (state and federal campaign contributions are not included **unless** the subject of the campaign is also running for, or currently serving in a local Philadelphia elected office); any consultants used in responding to the RFP and contributions those consultants have made; prospective subcontractors; and whether Applicant or any representative of Applicant has received any requests for money or other items of value or advice on particular firms to satisfy minority-, woman- or disabled-owned business participation goals from City employees. This information, as well as a proposal or any other response document required, is part of the online application. For more information, please consult the text of Chapter 17-1400, consult the reference materials found on the website, e-mail econtractphilly@phila.gov, or call 215-686-4914.

Applicants are advised that under Chapter 17-1400 individuals and businesses that make campaign contributions in excess of the amounts set forth in Section 17-1404(1), as periodically adjusted, are ineligible to enter into a City contract or subcontract at any tier. Applicants should take this into consideration in electing to apply for this opportunity or in selecting subcontractors if awarded a contract to perform the work sought by this RFP.

At their option, Applicants may require that their subcontractors disclose to the Applicants, the subcontractors' direct and indirect campaign contributions to candidates who are running for, and/or incumbents who are currently serving in local Philadelphia elected office and to political committees/parties that are operating in Philadelphia (federal campaign contributions are not included **unless** the subject of the campaign is also running for, or currently serving in a local Philadelphia elected office). Disclosure forms may be found on the Disclosure/Eligibility –

Subcontractor Disclosure tab on eContract Philly. Applicants are not required to submit these forms to the City.

Applicants who have failed to file complete applications to the correct opportunity – including the online disclosure forms – through the eContract Philly online application process prior to the closing date and time will not be considered for the contract.

You are encouraged to start and complete your online application on eContract Philly as early as possible. Please be aware that internet connection speed depends on a variety of factors including: configuration of your computer, configuration of your business or home network, the condition of the wiring at your location, network or internet congestion (available bandwidth). Please prepare and plan accordingly to ensure a timely submission. Your proposal and other application documents will not be considered submitted until you sign the application and click on the “submit” button at the conclusion of the eContract Philly process. It is your responsibility to make sure that you have signed and submitted your complete application to the correct contract opportunity established for this RFP.

You can begin uploading (or attaching) your proposal and other application materials at any time. It is especially prudent for you to start uploading your attachments earlier if you have a large number of attachments (e.g. over five documents) or larger-sized attachments (e.g. above 5 MB). Please be advised that the eContract Philly website will not accept documents larger than 8 MB. If you have documents larger than 8 MB, you must separate them into smaller documents in order to successfully upload them to the system. Until you sign and submit your application, your materials are not accessible to any staff with the City of Philadelphia. Once you have signed and submitted your application, your application is accessible only to appropriate contract staff within the City of Philadelphia.

You are advised that any individual who signs and submits an application on eContract Philly must be an authorized signatory of the Applicant, authorized to both bind the Applicant to its proposal and to make the disclosures required to complete the eContract Philly process. Therefore, in conjunction with their electronic signatures provided at the conclusion of the submission of their applications online, signatories will be required to certify that they are the Applicant or are employees or officers of the Applicant duly authorized to execute the application and make disclosures on the Applicant’s behalf; and they represent and covenant that, to the best of their knowledge after appropriate inquiry, all of the information and disclosures provided are true and contain no material misstatement or omissions.

L. Selection Process

This RFP is not a competitive bid subject to the requirement of Section 8-200 of the Philadelphia Home Rule Charter that award be made to the lowest responsible bidder. Cost to the City is a material factor, but it is not the sole, or necessarily the determining factor, in proposal evaluation. The City may, at its sole discretion, award a contract resulting from this RFP to a person or entity other than the responsible Applicant submitting the lowest price. If the City chooses to award a contract, that contract will be awarded to the Applicant whose proposal the

City determines, in its sole discretion, is the most advantageous to the City and in the City's best interest.

The City will base its selection on criteria that include, but are not limited to:

1. Superior ability or capacity to meet particular requirements of contract and needs of City Department and those it serves
2. Eligibility under Code provisions relating to campaign contributions
3. Superior prior experience of Applicant and staff
4. Superior quality, efficiency and fitness of proposed solution for City Department
5. Superior skill and reputation, including timeliness and demonstrable results
6. Special benefit to continuing services of incumbent, such as operational difficulties with transition or needs of population being served
7. Benefit of promoting long-term competitive development and allocation of experience to new or small businesses, including those owned by minority or disabled persons or by women.
8. Lower cost
9. Administrative and operational efficiency, requiring less City oversight and administration
10. Anticipated long-term cost effectiveness
11. Meets prequalification requirements
12. Applicant's certification of its Local Business Entity/Local Impact status pursuant to Executive Order 04-12

If a contract is awarded pursuant to this RFP, in compliance with Section 17-1402 (c) of the Philadelphia Code, a notice will be published on the City's eContract Philly website (<https://philawx.phila.gov/econtract/>) listing the names of all Applicants and identifying the successful Applicant and the basis for the award to that Applicant. This notice will appear on the City's website for at least one week before the contract is executed. In no event, however, shall the City Department or City Agency issuing this RFP be obligated to debrief unsuccessful Applicants as to the basis for its decision not to award a contract to them.

D. Interviews; Presentations

During the evaluation of proposals, interviews or oral presentations may be required from one (1) or more Applicants. The City will advise Applicants as to the time and place for such oral presentations. The Applicant shall be prepared to discuss all aspects of the proposal in detail. All costs of interviews and presentations, including travel, are the responsibility of the Applicant.

E. Term of Contract

It is anticipated that the initial term of the Contract shall commence on July 1, 2023 (the “Initial Term”) and, unless sooner terminated by the City pursuant to the terms of the Contract, shall expire up to twelve months thereafter, on June 30, 2024. The City may, at its sole option, amend the Contract to add up to three (3) additional successive one-year terms (“Additional Terms”). Except as may be stated otherwise in such amendment, the terms and conditions of this Contract shall apply throughout each Additional Term.

V. General Rules Governing RFPs/Proposals; Reservation of Rights and Confidentiality

A. Revisions to RFP

The City reserves the right to change, modify or revise the RFP at any time. Any revision to this RFP will be posted on eContract Philly with the original Opportunity Details. It is the Applicant’s responsibility to check the eContract Philly website frequently to determine whether additional information has been released or requested.

B. City Employee Conflict Provision

City of Philadelphia employees and officials are prohibited from submitting a proposal in response to this RFP. No proposal will be considered in which a City employee or official has a direct or indirect interest.

C. Proposal Binding

By submitting its proposal, each Applicant agrees that it will be bound by the terms of its proposal for a minimum of 180 calendar days from the application deadline for this RFP. An Applicant’s refusal to enter into a contract which reflects the terms and conditions of this RFP or the Applicant’s proposal may, in the City’s sole discretion, result in rejection of Applicant’s proposal.

D. Contract Preparation Fee

Pursuant to Chapter 17-700 of the Philadelphia Code, the successful Applicant must generally pay a contract preparation fee. Regulations promulgated by the City Solicitor currently establish the following schedule of fees for preparation of the initial contract and subsequent amendments, based upon the amounts involved and whether the successful Applicant is a for-profit or nonprofit entity:

<u>Amount of Contract or Amendment</u>	<u>For-Profit Fees</u>		<u>Non-Profit Fees</u>	
	<u>Contract</u>	<u>Amendment</u>	<u>Contract</u>	<u>Amendment</u>
\$0-\$30,000	\$50	\$50	\$50	\$50
\$30,001-\$100,000	\$200	\$170	\$100	\$85
\$100,001-\$500,000	\$500	\$340	\$200	\$170
\$500,001-\$1,000,000	\$900	\$520	\$300	\$260
Over \$1,000,000	\$1,500	\$1,000	\$500	\$500

In its discretion, the Law Department may grant a full or partial waiver of any of the above fees in exceptional cases for good cause shown, such as violation of a grant covenant. Governmental entities are exempt from the fees. The Law Department reserves the right to collect up to twice the stated fee if extensive negotiation is required to reach a final contract with the successful Applicant.

E. Reservation of Rights

By submitting its response to this notice of contract opportunity as posted on the eContract Philly web site (“eContractPhilly”), the Applicant accepts and agrees to this Reservation of Rights and to the terms of this Notice of Contract Opportunity. The term “notice

of contract opportunity,” as used herein, means this RFP and includes all information posted on eContract Philly in relation to this “New Contract Opportunity” as published on eContract Philly, including, without limitation, the information posted for this opportunity on the “Detailed Information for Opportunity” page, in the eContractPhilly “Opportunity List,” and including in addition to this RFP, any other document linked to the Detailed Information for Opportunity Page or otherwise displayed on or linked to this notice of contract opportunity.

2. Proposal Selection and Contract Negotiation

The City reserves and may, in its sole discretion, exercise any one or more of the following rights and options with respect to proposal selection:

(a) to reject any proposal if the City, in its sole discretion, determines the proposal is incomplete, deviates from or is not responsive to the requirements of this notice of contract opportunity, does not comply with applicable law (including, without limitation, Chapter 17-1400 of the Philadelphia Code), is conditioned in any way, or contains ambiguities, alterations or items of work not called for by this notice of contract opportunity, or if the City determines it is otherwise in the best interest of the City to reject the proposal;

(b) to reject any proposal if, in the City’s sole judgment, the Applicant has been delinquent or unfaithful in the performance of any contract with the City or with others; is delinquent, and has not made arrangements satisfactory to the City, with respect to the payment of City taxes or taxes collected by the City on behalf of the School District of Philadelphia, or other indebtedness owed to the City; is not in compliance with City regulatory codes applicable to Applicant; is financially or technically incapable; or is otherwise not a responsible Applicant;

(e) to issue a notice of intent to contract and/or execute a contract for any or all of the items in any proposal, in whole or in part, as the City, in its sole discretion, determines to be in the City's best interest;

(f) to enter into negotiations with any one or more Applicants regarding price, scope of services, or any other term of their proposals, and such other contractual terms as the City may require, at any time prior to execution of a final contract, whether or not a notice of intent to contract has been issued to any Applicant and without reissuing this notice of contract opportunity;

(g) to enter into simultaneous, competitive negotiations with multiple Applicants or to negotiate with individual Applicants, either together or in sequence, and to permit or require, as a result of negotiations, the expansion or reduction of the scope of services or changes in any other terms of the submitted proposals, without informing other Applicants of the changes or affording them the opportunity to revise their proposals in light thereof, unless the City, in its sole discretion, determines that doing so is in the City's best interest;

(h) to discontinue negotiations with any Applicant at any time prior to the execution of a final contract, whether or not a notice of intent to contract has been issued to the Applicant, and to enter into negotiations with any other Applicant, if the City, in its sole discretion, determines it is in the best interest of the City to do so;

(i) to rescind, at any time prior to the execution of a final contract, any notice of intent to contract issued to an Applicant, and to issue or not issue a notice of intent to contract to the same or a different Applicant and enter into negotiations with that Applicant, if the City, in its sole discretion, determines it is in the best interest of the City to do so;

(j) to elect not to enter into any contract with any Applicant, whether or not a notice of Intent to Contract has been issued and with or without the reissuing this notice of contract opportunity, if the City determines that it is in the City's best interest to do so;

(k) to require any one or more Applicants to make one or more presentations to the City at the City's offices or other location as determined by the City, at the Applicant's sole cost and expense, addressing the Applicant's proposal and its ability to achieve the objectives of this notice of contract opportunity;

(l) to conduct on-site investigations of the facilities of any one or more Applicants (or the facilities where the Applicant performs its services);

(m) to inspect and otherwise investigate projects performed by the Applicant, whether or not referenced in the proposal, with or without consent of or notice to the Applicant;

(n) to conduct such investigations with respect to the financial, technical, and other qualifications of each Applicant as the City, in its sole discretion, deems necessary or appropriate; and,

(o) to do any of the foregoing without notice to Applicants or others, except such notice as the City, in its sole discretion, elects to post on eContractPhilly.

3. Miscellaneous

(a) Interpretation; Order of Precedence. In the event of conflict, inconsistency or variance between the terms of this Reservation of Rights and any term, condition or provision contained in any notice of contract opportunity, the terms of this Reservation of Rights shall govern.

F. Confidentiality and Public Disclosure

The successful Applicant shall treat all information obtained from the City which is not generally available to the public as confidential and/or proprietary to the City. The successful Applicant shall exercise all reasonable precautions to prevent any information derived from such sources from being disclosed to any other person. The successful Applicant agrees to indemnify and hold harmless the City, its officials and employees, from and against all liability, demands, claims, suits, losses, damages, causes of action, fines and judgments (including attorney's fees) resulting from any use or disclosure of such confidential and/or proprietary information by the successful Applicant or any person acquiring such information, directly or indirectly, from the successful Applicant.
