The Fresh Coast Awaits!

Discovery World, on the shores of Lake Michigan, is a science and technology museum offering a breathtaking view of Milwaukee's gorgeous lakefront and skyline. Enjoy cocktails from the wrap-around terrace of the 360-degree circular ballroom atop the venue. The terrace overlooks Milwaukee's spectacular Santiago Calatrava-designed Art Museum and the festival park that annually hosts the World's Largest Music Festival, Summerfest, along with ethnic and cultural festivals.

Enjoy a delicious dinner buffet in the glass-walled pavilion and outdoor patio. Catch up with friends along the breakwater walkways and water's edge seating.

Wander through spectacular exhibits, including the entire interactive Great Lakes watershed built to scale, multi-level freshwater and saltwater aquariums, and stingray touch tanks!
