Join us for a night of arts, networking and local culinary delights.

The National Portrait Gallery holds the greatest collection of portraits in the world. With visual arts, performing arts and new media, the Portrait Gallery introduces you to the people who have shaped the country-poets, presidents, actors, activists, visionaries, villains...and everyone in between. Its collection weaved together story and biography from precolonial times to the present to tell the American story.

Guests will have exclusive private access to the First Floor Gallery, and America's Presidents, the nation's
