

Dear Vendors,

Please be advised of the following contracting opportunity:

**Request for Information ("RFI") at Philadelphia International Airport ("PHL")**

Philadelphia International Airport is seeking industry feedback on zero-emission bus technologies, feasible phasing approaches, potential ownership/maintenance models for fueling/charging infrastructure and associated cost estimates.

Interested firms may review the RFI on or after January 10, 2024

at <https://www.phila.gov/media/20240110095315/RFI-airport-zero-emission-bus-20230110.pdf>

**Key Dates (subject to change)**

January 26, 2024 – Informational Session (Virtual) at 1:30PM

January 31, 2024 – Final deadline to submit questions before 5:00PM

February 15, 2024 – Responses due before 5:00PM
