All questions regarding this RFQ must be submitted to the Procurement Contact at the above number and email address. Contact concerning this RFQ with any other employee, officer or Board Member of the Airport Authority is not permitted during the solicitation process.

DESCRIPTION: Responses are being solicited by the Wayne County Airport Authority (Airport Authority) for the purpose of contracting for Professional Engineering design and related services for multiple capital improvement and maintenance projects at Detroit Metropolitan Wayne County Airport (DTW) and Willow Run Airport (YIP). **This RFQ contains two (2) contract opportunities (herein referred to as Packages).** The scope of services and projects that will result from this RFQ may be federally funded. A separate Response must be submitted for each package and prospective Respondents may respond to one or both of the packages. The packages are:

Package A – On-Call Reinforced Concrete Parking Structures and Associated Facilities Engineering Services
Package B – On Call Professional Landside Civil Engineering Services

The Wayne County Airport Authority reserves the right to award multiple contracts for the services included in this RFQ. See the information on this page for obtaining this RFQ and documentation related to this RFQ.

It is the Respondents responsibility obtain and view all solicitation documents and addenda issued by the Wayne County Airport Authority for this RFQ.

This RFQ, all attachments and addenda are available via the Michigan Intergovernmental Trade Network (MITN) website at <https://www.bidnetdirect.com/mitn/wayne-county-airport-authority>, which is also where all Responses must be uploaded and submitted through. Free and paid subscription registration options available. The documents may also be accessed via the Wayne County Airport Authority website at: <https://www.metroairport.com/business/doing-business-wcaa/business-opportunities/solicitations> and then clicking on the desired solicitation name.
