The City of Phoenix Aviation Department is conducting two Business Information Meetings and one Outreach session for small business concession operators and other interested parties including ACDBE, DBE and potential concessions suppliers, in preparation for the release of a competitive Revenue Contract Solicitation (RCS) for Terminal F&B concession opportunities. Interested parties are encouraged to attend the Business Information meetings to learn about the procurement process and receive an overview of the PHX concessions program. In addition, information will be provided on the Airport's Small Business Program. The outreach session will provide operational and security information about working at the airport. This RCS will offer a single contracting opportunity.
