

BUSINESS OPPORTUNITIES

Salt Lake City Corporation (City), through its Department of Airports (SLCDA), is inviting proposals from qualified firms (Respondents) to propose and execute a business model to finance, design, build, market, operate and maintain a state-of-the-art airside and landside dedicated multi-tenant cargo facility under a long-term ground lease at the Salt Lake City International Airport (Airport). The RFP package can be obtained by prospective Respondents beginning October 14, 2024 by registering online at

<https://solutions.sciquest.com/apps/Router/SupplierLogin?CustOrg=StateOfUtah>. It is the responsibility of each Respondent to register through the Utah Public Procurement Place Supplier Portal and frequently monitor it for any changes or updates affecting this RFP after the original posting date. Proposals will only be received by email to cole.hobbs@slc.gov, Airport Contracts and Procurement Manager until 2 p.m. local mountain time on February 14, 2025. Respondents may contact Shauna Henderson at (801) 575-2978 with questions regarding the website.
