RE: ONT Airport Financial Consulting and Strategic Advisory Services – RFP Opportunity Notice

The Ontario International Airport Authority (OIAA) invites firms to prepare and submit qualifications to respond to this Request for Proposal (RFP) for comprehensive On-call Airport Financial Consulting and Strategic Advisory Services at Ontario International Airport (ONT).

The general purpose is to provide financial consulting and leadership services related to airport rates and charges, capital and financial planning, bond feasibility studies to support the issuance and management of Bonds and other obligations, and other airport management and financial consulting services.

The anticipated term of the Contract is for an initial three-year term with two (2) one-year renewal options at OIAA's discretion to extend the contract.

Assignments will be developed individually, Task Order based, by OIAA in conjunction with the selected Consulting Team, when and if consulting services are required.

Interested parties can find more information about the project, and submit proposals, at the following link:
