

**REQUEST FOR PROPOSAL  
NUMBER 25-001  
AIRPORT OPERATIONAL SYSTEMS MODERNIZATION**

**INVITATION TO PROPOSERS**

The Clark County Department of Aviation (CCDOA) invites firms to submit proposals for the modernization of the Airport Operational Systems.

The firm selected, upon review of the submitted proposals and any subsequent interviews, if required, will provide a contemporary a set of systems to replace the Airport Operational Database (AODB), Resource Management System (RMS) and Flight Information Display System (FIDS), Gate Information Display System, Ticket Information Display System, Ramp Information Display System, and Baggage Information Display System services at the Airport. Included in the replacement is hardware, software, licensing, configuration, installation, implementation, integration, testing and commissioning, training, and support services, as further defined in this RFP.

The existing core systems shall be replaced with a Content Management System (CMS).

**Please note that this is a sealed RFP process.**

**All questions and/or responses to this Request for Proposal must be processed through the NGEM website.**

**Inquiries, documents or other information submitted outside of NGEM (i.e. email, fax, hard-copy, etc.) will not be reviewed or considered.**

Telephone calls regarding this RFP **will not** be accepted. All questions must be submitted electronically through the NGEM website and all responses will be posted on the NGEM website.

**CLOSING DATE & TIME FOR RFP SUBMISSION**

All proposals are due to be submitted through the NGEM system by 8:00pm (PT). on Monday, March 10, 2025.

**REGISTRATION FOR THE NGEM SYSTEM**

The NGEM System is accessible at [www.ngemnv.com](http://www.ngemnv.com).

Potential Proposers **MUST** be registered register as a "Supplier". This may be accomplished by clicking on the Supplier Registration link and completing the registration form. There is no cost to register or to use the NGEM System.

RFP documents may then be viewed by selecting a specific project from the "Current Bid Opportunities" list and clicking on that project.

An electronic proposal can only be submitted through the NGEM System. The RFP document(s) can be printed for Proposer's use, but an electronic proposal **MUST** be submitted through the NGEM System.
