Continuing Professional Education (CPE) Information

Conference workshops are all Group-Live.

Not all of the sessions at this conference are eligible for CPE credits. Please check the individual session you wish to attend to ascertain the number of credits available.

Conference Learning Objectives:

Participants will be able to:

- Determine business practices favorable to an airport's business relationships with airlines.
- Identify potential accounting rule changes and implications to financial reporting.
- Identify financial impacts of existing and proposed federal policies.
- Determine potential impacts due to capital market changes.
- Apply global best practices in airport management.
- Apply strategic planning methods and identify performance management improvements.

Course Level: The course level is intermediate. Conference workshops are designed for individuals with a basic understanding of airport industry concepts and issues.

Prerequisite: Basic knowledge about airport business and financial management.

Advance Preparation: None

Conference participants are eligible to receive up to 18 hours of Finance CPE credits.

ACI-NA is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.nasbaregistry.org.

For more information regarding administrative policies such as refunds, cancellation and complaints, please contact Lying Gu at lgu@airportscouncil.org.
