III. CITY OF NAPLES AIRPORT AUTHORITY

The Authority was created under Laws of Florida 69-1326, as amended, as an independent authority responsible for the operation of the Naples Municipal Airport. It is governed by a five (5) member volunteer Board of Commissioners who are appointed by the Naples City Council. Under their direction, an Executive Director manages the airport and its programs.

The Authority financially supports itself directly from aviation fuel sales and airport user fees, and indirectly by airport user taxes. No local, state, or federal general taxes, such as property, utility, sales, intangible, or income taxes directly support the Authority. The Authority receives, for certain capital projects, state, and federal financial funds.

Florida Statutes 218.39, Auditor selection procedures, requires a special district to establish an audit committee whose primary purpose is to assist the governing body in selecting an auditor to conduct the required annual financial audit. The audit committee is required to rank and recommend in order of preference no fewer than three (3) firms, unless fewer than three (3) firms responded. In making its

ranking, the audit committee will consider the criteria set forth in the attached “Ranking Guidelines” (Attachment A).

General information about the Authority can be obtained from our official website <http://www.flynapples.com>.

The Authority has been audited for the fiscal year ended September 30, 2024. The Authority’s Annual Comprehensive Financial Report is available on the Authority’s webpage at <http://flynapples.com>. The Authority’s FY 2025 Operating and Capital Budget is also available on the webpage.
