Solicitation Type and Name:

**Formal Invitation for Bids for San Antonio International Airport (SAT) Public Safety Building
Vehicle Access Gate**

Solicitation Number: 33-03349-25

Description: This project is to provide and install a security fence for the Public Safety Building at an existing and operational facility. The scope of work will include material and labor shown in the drawings and specifications to include but not limited to security fencing, access gates, electrical power, trenching, underground raceways for both power and communications, grounding, bollards, concrete, and asphalt repair. With this facility being operational, coordination with the tenants is required and considered paramount to the overall project requirements. Several security and communication materials and installation will be performed by SAT ITSD personnel and/or vendors. There will be a comprehensive list of ITSD-provided scope included in the bid package. Please do not add this cost to your quote.

Applicable Product Categories:

- 98815 – Fence Installation
- 91356 – Construction Utility Underground
- 91438 – Construction Services Trade – Electrical
- 91430 – Construction Services Trade – Concrete
