Failure to pay contracted balances will bar Exhibitor from future ACI-NA events until payment is received.

CANCELLATION OF EXHIBIT SPACE

All cancellations must be made in writing. Cancellation fees are applicable even if the exhibit space subsequently is rented by ACI-NA to another exhibitor. Upon cancellation, Exhibitor will lose the right to use the complimentary exhibitor registrations and all other exhibitor benefits granted by this Contract. Cancellation fees cannot be put towards sponsorship, registrations, or future events. If Exhibitor cancels in writing prior to January 9, 2026, Exhibitor is not liable for any part of their contracted booth fees. If Exhibitor cancels between January 9, 2026 and May 16, 2026, Exhibitor is liable for 50% of their contract booths fees. If Exhibitor cancels after May 16, 2026, Exhibitor is liable for 100% of their contract booths fees.

ELIGIBILITY FOR PARTICIPATION

ACI-NA reserves the right to determine the eligibility of any company or product to participate in the exhibition hall. Exhibitor shall not show goods or services other than those manufactured or distributed by the Exhibitor in the regular course of business. ACI-NA may refuse rental of exhibit space if, in the sole opinion of ACI-NA, the goods or services to be displayed are not compatible with the educational character and objectives of the exhibition hall or the conference.

SUBLET OF EXHIBIT SPACE

Exhibitor shall not assign, sublet or share exhibit space except with written previous approval of ACI-NA. Exhibitor shall not feature names of non-exhibiting manufacturers, service providers, distributors, or agents in the exhibitor's display, with the exception of parent or subsidiary entities.

LIABILITY

Neither ACI-NA, its members, nor the representatives and employees thereof, nor the convention center ("Indemnitees") will be responsible for injury, loss or damage that may occur to the Exhibitor or to the Exhibitor's employees or to any property from any cause whatsoever, prior, during or subsequent to the period covered by this Contract. Exhibitor hereby expressly assumes all risk of injury, loss or damage and expressly releases the Indemnitees from any and all claims for any such loss, damage or injury. Protection against unauthorized removal of property from the booth occupied by the Exhibitor shall be the Exhibitor's responsibility.

DAMAGE TO PROPERTY

Exhibitor will be liable for any damage caused to building floors, walls or columns, or to standard booth equipment, or to another Exhibitor's property. Exhibitor shall not apply paint, lacquer, adhesives, stickers or other coating to building columns and floors or to standard booth equipment.

LABOR

Exhibitor shall observe all contracts in effect between service contractors, the convention center, and various labor organizations.

USE OF EXHIBITOR-APPOINTED CONTRACTORS

If Exhibitor chooses to use labor services other than those provided through the official service contractor, Exhibitor shall, by August 7, 2026, provide the official service contractor with a certificate of insurance, verifying that its contractors have at least \$1,000,000 in general liability coverage and at least the statutory minimum in workers' compensation coverage. Exhibitor shall supply its contractors with all necessary information regarding installation and dismantling, material handling, etc. Neither the official service contractor nor ACI-NA can supply exhibitor service kits to non-official contractors.

INSTALLATION

All displays must be fully set up and ready by 2 pm on Tuesday, September 15, 2026. After that time, set up will be at the discretion of ACI-NA, and any applicable expenses will be the sole responsibility of Exhibitor.

CONFLICTING EVENTS DURING SHOW HOURS

Exhibitor shall not extend invitations, call meetings, hold hospitality events, or otherwise encourage the absence of industry professionals from the exhibit hall and meeting rooms during the hours of all education and show activities. All requests for meeting rooms, hotel suites and special function rooms must be approved by ACI-NA.

DISMANTLING

Exhibitor may not dismantle or disturb their exhibits until the start of the dismantling period. All Exhibitor displays or materials left in booths without instructions may be packed and shipped at the discretion of ACI-NA and at the Exhibitor's sole cost and expense. Neither ACI-NA, its members, nor the representatives and employees thereof, nor the convention center shall be liable for any loss associated with such displays or materials not removed by the Exhibitor by the end of the dismantling period.

EXHIBITOR'S REPRESENTATIVE

Exhibitor shall have a representative in attendance throughout the period of the exhibition. Only representatives who are employed by Exhibitor and who will be working in the booth are to be registered as Exhibitor personnel. Business cards are not to be used in badge holders. In all cases, no person under 16 years of age may be granted admission into the exhibit hall.

RESTRICTIONS OF ACTIVITIES

Exhibitor shall not interfere with the use of other exhibits or impede access to them, or impede the free use of the aisle. All booth personnel shall confine their activities to the Exhibitor's booth space. This includes physical incursions, as well as sound or light. Distribution of any printed material, souvenirs or other articles shall be confined to the space assigned. Apart from the specific display space for which Exhibitor has contracted with ACI-NA, no part of event center and its grounds may be used by Exhibitor for display purposes of any kind or nature unless permitted by separate contract with ACI-NA. Within the event center property, Exhibitor brand or company logos, signs and trademark displays will be limited to the official exhibit area only.

SOUND

In fairness to all exhibitors, no noisy or obstructive activity will be permitted during show hours, nor will noisily operating displays be allowed. Loud machinery may be run only for reasonable periodic demonstrations. Videos or movies relating to the Exhibitor's equipment are permitted, provided that projection equipment and screen are located on the rear one-third of the booth, and all viewers stand or sit within the booth. Sound videos or movies will be permitted only if the sound is not audible in the aisle or neighboring booths. Sound systems will be permitted only if set to a conversational level and if not objectionable to neighboring exhibitors.

INTELLECTUAL PROPERTY

Exhibitor certifies that it owns or validly possesses the rights to display and discuss all patents, copyrights, and trademarks included in its exhibit. No copyrighted music shall be played or sung in the exhibit hall in any fashion (including, but not limited to, background music on video or audio tape presentations) without rights or appropriate licensing. No copyrighted images or miscellaneous materials may be used in any form without rights or appropriate licensing. The Exhibitor is solely responsible for obtaining appropriate licenses for material not owned by the Exhibitor. The Exhibitor shall indemnify the Indemnitees and shall hold them free and harmless from any and all liability whatsoever for any claim or allegation of infringement of or other violation arising out of the use of intellectual property.

PHOTOGRAPHY

Exhibitor agrees any photographs taken within the exhibit hall shall not include any part of another exhibitors' display or personnel. ACI-NA and its agents reserve the right to photograph and/or record exhibits and exhibitors, and to use such likenesses for future promotional purposes.

DIRECT SELLING

If engaged in onsite sales transactions, the Exhibitor shall be responsible for complying with all applicable federal, state, provincial, and local tax and other laws including but not limited to those pertaining to the collection and remittance of sales taxes.

BOOTH CONSTRUCTION GUIDELINES

Booth construction guidelines are set forth in the International Association of Exhibitions and Events (IAEE) display rules and regulations. These guidelines are incorporated by reference and made part hereto.

SECURITY

As a courtesy to exhibitors, ACI-NA will arrange for perimeter security for the exhibit hall during installation, dismantling, and show days. However, the provision of such security is not a guarantee or indemnity against loss or theft of any kind. Exhibitor shall be solely responsible for safeguarding its materials, equipment, and displays at all times.

CHANGES TO FLOORPLAN

Airports Council International – North America reserves the right to make changes any time in the location, size, and display limits of any booth, including, without limitation, to the overall placement of exhibit booths in order to adhere to any guidelines put in place by federal, state, provincial or local authorities, the convention center, or ACI-NA.

SAFETY REGULATIONS

The Exhibitor shall comply with all federal, state, provincial, and local laws, ordinances, and regulations concerning fire and life safety. Booth decorations must be flame-proofed and the Exhibitor shall provide a certificate of flame retardant if requested. Exhibitors shall adhere to all convention center guidelines for cooking, if applicable. Electrical wiring shall conform with all federal, state, provincial, and municipal government requirements and regulations, and with the National Electrical Code. If inspection indicates that Exhibitor has neglected to comply with these regulations, or otherwise creates a fire or safety hazard, ACI-NA reserves the right to cancel, without refund to the Exhibitor, all or such part of Exhibitor's exhibit.

CONVENTION CANCELLATION

If the exhibit premises are damaged or destroyed, or if the exhibit fails to take place as scheduled or is interrupted and/or discontinued, or if access to the exhibit hall or convention center is prevented or interfered with by reason of a strike, lockout, injunction, act of war, act of God, emergency declared by any governmental agency or ACI-NA, or for any other reason, this Contract may be terminated by ACI-NA. In the event of such termination, Exhibitor waives any and all damages and claims for damages and agrees that the sole liability of ACI-NA will be to refund payments made pursuant hereto, less the pro rata share of costs and expenses committed to and incurred by ACI-NA.

TERMINATION OF THE RIGHT TO EXHIBIT

ACI-NA reserves the right to terminate this Contract or to withhold from Exhibitor possession of exhibit space if Exhibitor fails to perform any material term of this Contract. In the event of a default by Exhibitor, Exhibitor shall forfeit as liquidated damages the amount paid for the space rental, regardless of whether ACI-NA relets the space involved.

INSURANCE & INDEMNIFICATION

Exhibitor assumes the entire responsibility and liability for losses, damages, and claims arising out of injury to persons or damage to exhibitor's display, equipment, or other property caused by the Exhibitor, its employees, agents and contractors and agrees to indemnify, defend and hold harmless the Indemnitees against all claims or expense for such losses, including reasonable attorney's fees, except to the extent of any liability caused by the gross negligence of the Indemnitees. Exhibitor shall carry at least \$1,000,000 in liability insurance coverage to support its indemnification requirements, shall provide ACI-NA with evidence of such insurance coverage on request, and shall include ACI-NA as an additional insured on such insurance coverage.

PROPERTY DAMAGE

Exhibitor shall surrender the space it occupies in the same condition as it was at the commencement of occupation. Exhibitor shall be liable for any damage caused by it or its representatives to building floors, walls, or columns, or to the property of other exhibitors.

MEETING MANAGEMENT

ACI-NA will establish all meeting policies. All matters and questions not covered by these terms are subject to the decision of ACI-NA in its sole discretion. Exhibitor shall comply with the policies, rules, and regulations of the venue, which are available online and upon request to ACI-NA.

PUBLIC HEALTH

In the event of a pandemic or public health emergency ACI-NA will follow all applicable federal, state, provincial and local rules and guidance, as well as the rules and regulations of the venue and ACI-NA, regarding large gatherings in host city, as well as travel to/from host city. If ACI-NA is unable to legally convene due to ordinances put in place by local and/or federal governments, Exhibitor will be given the option to either receive a refund or roll its commitment/monies paid to the following year's event. Exhibitors who decide to cancel their participation prior to an official announcement from ACI-NA will do so in accordance with the normal cancellation schedule and will not be eligible for any additional refunds should ACI-NA be forced to cancel the event at a later date.
