

Salt Lake City Corporation ("City"), through its Department of Airports ("SLCDA"), is inviting proposals from qualified firms to provide and operate automated teller machines ("ATM") and currency exchange machine services at the Salt Lake City International Airport (Airport).

The Request for Proposals ("RFP") package can be obtained by prospective Respondents beginning September 14, 2026, by registering online at Utah Public Procurement Place Portal ("U3P") <https://utah.bonfirehub.com/portal/?tab=openOpportunities> First time users, click the link on the top right-hand side where you will see a "Register" button.

It is the responsibility of each Respondent to register, frequently monitor for any changes or updates affecting this RFP, after the original posting date, and submit proposals through U3P. Proposals must be submitted by 2 p.m. local mountain time on November 6, 2026. Respondents may contact U3P Support Team at support@gobonfire.com with questions regarding the website.
