2018 AIRPORTS COUNCIL INTERNATIONAL-NORTH AMERICA WORLD BUSINESS PARTNER/ASSOCIATE MEMBERSHIP PROSPECTUS

WELCOME

Airports Council International-North America (ACI-NA) represents Airport Members who enplane 95 percent of all domestic and virtually all international airline passenger and air cargo traffic in North America. The mission of ACI-NA is to advocate policies and provide services that strengthen the ability of airports to serve their passengers, customers, and communities. ACI-NA resources include experienced, professional staff that, working with our members, develop and advocate common positions and represent those interests before government, industry, and the public.

ACI-NA's World Business Partners (WBP) & Associate Members represent the wide variety of private industry businesses that provide products, equipment and services to airports and the aviation industry. Through their membership, ACI-NA WBP/Associate Members work with ACI-NA Airport Members to address industry issues and discuss new technologies and innovative ideas.

Your membership will provide opportunities to become involved in ACI-NA Committees and Steering Groups, connect with clients at industry functions, share your industry expertise through speaking engagements and market your business to airport decision-makers. Your involvement will serve to enhance the organization's role as the Voice of Airports® in the aviation industry.

ACI-NA's WBP/Associate Members elect their own Board which guides the activities and participation of these companies in the association. There are currently more than 380 participating companies among the ACI-NA WBP/Associate Members.

Within this prospectus is an application for ACI-NA membership, identifying WBP & Associate Member levels and a schedule of fees. All memberships are corporate in nature – the company is considered the member, and all employees of the Member company are extended member benefits.

If you have any questions concerning ACI-NA's World Business Partners & Associate Member programs, please contact Member Services at memberservices@aci-na.org.
